

CREATING - Making improvements

11. *Armadillo Upgrade—overcoming natural threats*

Make some adaptations to the armadillo's physical features, or the way they behave, to make them more competitive in nature.

Here are some ideas to get you started ...

- Better equipment for finding food
- Better defense against larger mammal predators
- Making better use of its ability to jump a metre straight up in the air
- Improvements to insulation

Remember to include diagrams, labels, and descriptions to explain your interesting ideas.

12. *Action Plan—saving armadillos from human threats*

- Make a list of the ways that human activity is endangering armadillos
- Write an action plan—the steps you would have to take to change the situation
- Design some of the following to get your message across to the world
 - a radio, TV, or newspaper advertisement, billboard signs, bumper stickers
